

FLEXFLOOR™ To Go!

Portable Rollable Flooring System by Brumark

Introducing unique, **portable**, rollable
FlexFloor To Go! system.

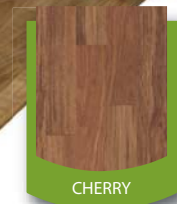

ANTIQUÉ MAPLE

NATURAL OAK

MAPLE

CHERRY

Lightweight, durable FlexFloor system is now even more convenient! The new Portable FlexFloor To Go system consists of a 10' x 10' floor cut and squared into three portable 40" x 120" strips for easy handling and storage, plus a hard wheeled shipping case for unbeatable portability. The comfortable flooring is available in four attractive wood styles: Maple, Natural Oak, Antique Maple and Cherry.* This unique solution is the most convenient, attractive, and cost-effective flooring for exhibitors on the go!
