Miriam Inc provides expert graphic design services. Years of experience guarantees graphic designs that are eye catching. The charge is \$65 per hour and typically takes two to five hours for each project. Costs to purchase artwork or stock photographs are additional.

Skirts are a continuous piece of material from end to end. Skirts must be either digitally printed or a solid vinyl color. Gazebo tops are made of 6 individual panels and a round plug at the top. A top can mix digitally printed panels and solid vinyl colors. Call for a free vinyl color chart.
